August 6th Kick-Off

Icebreaker

Mike Chenier, the Seminarian many of you met at our Spring BBQ, will be joining us for this Kick-Off meeting. We have told him we would be interested in finding out from him how he went through the process of deciding to devote his life to God. How does a young man in today's secular society go about deciding to become a Priest?

1. The Icebreaker Question

Mike has decided what he thinks will make him happy; What makes you happy?
